About the Role

About the role:

Are you ready to lead the charge in delivering outstanding customer experiences? Novartis is on the lookout for a **Creative Strategy Expert** to join our CE&C International team. We're dedicated to crafting meaningful interactions for healthcare professionals and patients, driven by a customer-centric approach and innovative content solutions.

Key responsibilities: :

- **Craft Campaign Assets:** Translate core concepts into dynamic campaign assets suitable for various media and channels.
- **Lead Design Initiatives:** Define and oversee the creation of design deliverables, guiding specialized teams to achieve excellence.
- **Collaborate Across Disciplines:** Work intimately with strategy and insights teams to ensure cohesive and impactful customer journeys.
- **Set Technical Standards:** Establish benchmarks for brand-specific content, ensuring quality and consistency.
- **Guide Campaign Implementation:** Provide expert advice to ensure seamless execution of campaigns across platforms.

Your Impact: As a pivotal member of our Creative Strategy team, you'll ensure the integrity of our brand and educational campaigns, maintaining creative and strategic consistency down to the local level. With a creative background and clear vision, you'll direct agency partners to transform concepts into compelling campaigns.

Your Growth: In the short term, immerse yourself in our brand strategies and, in the long term, collaborate to understand market behaviors and drive innovative channel strategies. Your goal is to connect creative quality with strategic execution and platform optimization.

Essential requirements: :

- **Proven Experience:** At least 10 years in campaign development and channel planning, with a solid

grasp of the pharmaceutical industry.

- **Creative Leadership:** A history of providing direction and fostering creativity within teams.
- **Global Perspective:** Familiarity with key markets, including Europe, Asia, and the Americas.
- **Industry Savvy:** A deep understanding of the pharma ecosystem, from internal operations to external agency models.
- **Execution Excellence:** A track record of success in high-stakes content delivery environments.

Desirable requirements: :

- **Collaborative Spirit:** Thrive in a matrixed organization, bringing teams together to solve complex challenges.
- **Detail-Oriented:** Focus on the nuances that make a difference in content delivery, from testing to user experience design.
- **Problem Solver:** Communicate solutions clearly and effectively, both in writing and verbally.
